Rectangular Shape Inset Flush Handle For Sliding Doors - 100mm x 52mm - Polished Brass (Lacquered)

Product Images

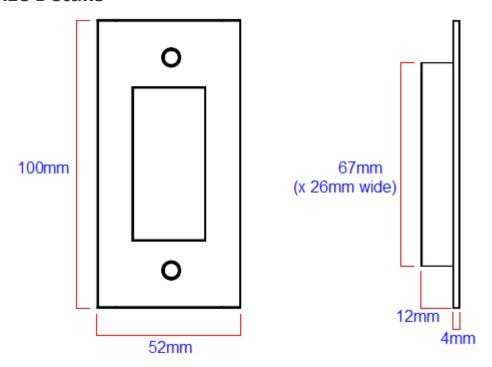

Description

- Polished brass rectangular shape flush fitting inset handle for sliding doors.
- Suitable for use on full height sliding doors, wardrobe doors and cupboard doors.
- This flush handle measures 100mm x 52mm.
- Please note this handle has no lipping around the opening and cannot be used to pull a door open, making it only suitable for use on sliding doors.
- This item has to be morticed (cut) into the door to allow it to sit fit flush.
- Polished brass.
