- Designed to cover the hole on the inside of the front door where the letter plate has been cut out for.
- Letter tidy plates have a curved shape which allows them to sit on top of the fixing bolts and domed nuts used to secure a letter plate in place.
- Screw fixes to the back of the front independently of the letter plate.

- Comes supplied with fixing screws and two brackets hanging brackets.
- For the right size letter tidy - Make a note of the distance between the bolt centers of your letter plate and the height of the aperture. Choose a letter tidy that is slightly longer and higher to make sure you cover the hole and bolts in the door
