## Hi-Load Parliament Projection Hinges - Matt Black

### Product Images

---

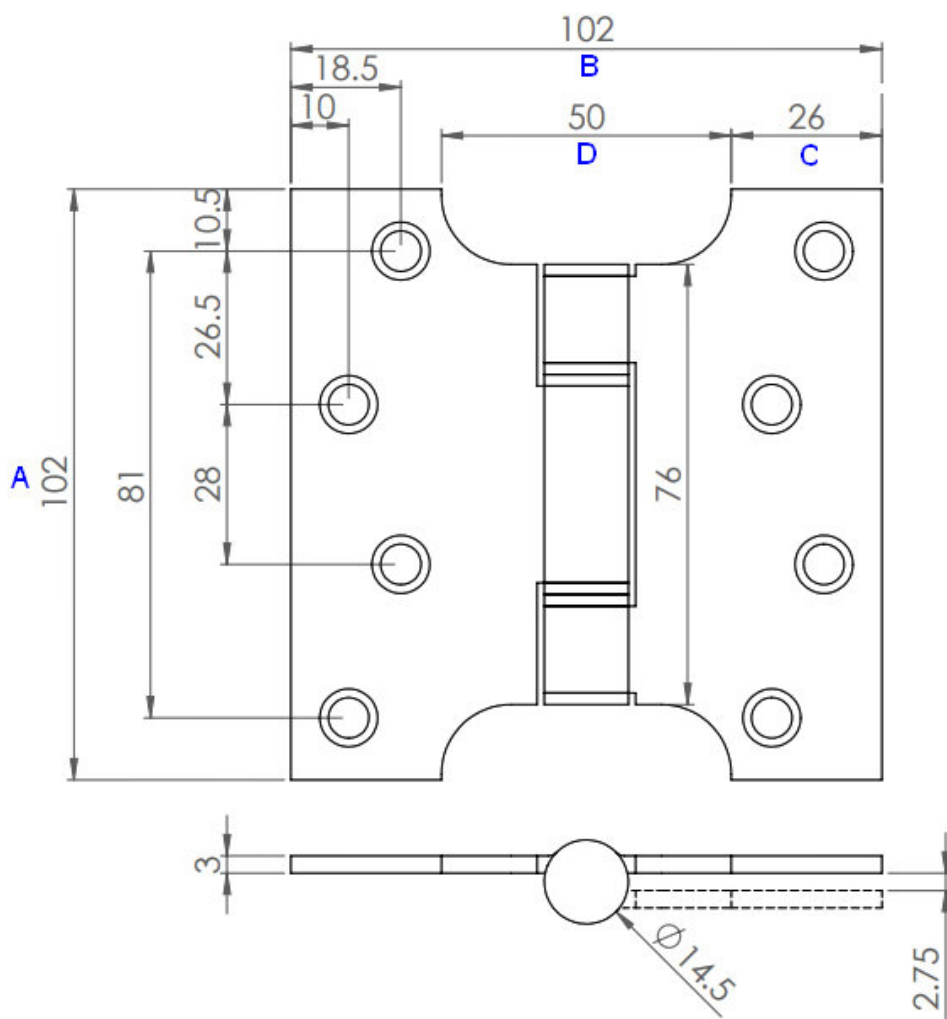

## Description

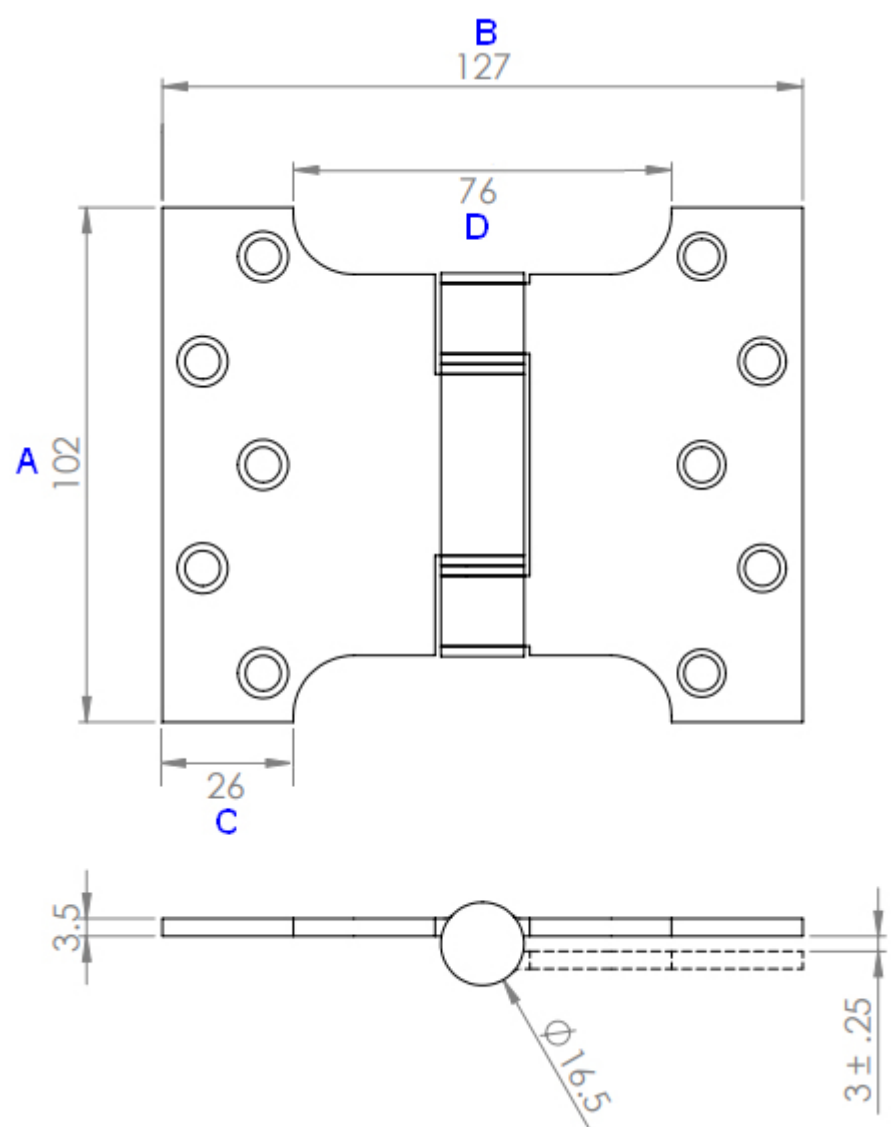

- Parliament projection hinges for double, patio and French doors.
- Projects doors clear of architraves, window boards or down pipes
- Hinges allow doors to fold back 180 degrees
- Heavy duty - for high use fire doors
- For exterior / interior use
- Measurements are leaf height x inside clearance x fully open width
- Inside clearance measurement is between the wings of the hinge and is the maximum projection you can achieve on lightweight doors
- For glazed or solid doors, inset the hinge leaf an additional 15% each side, for example 30% less projection

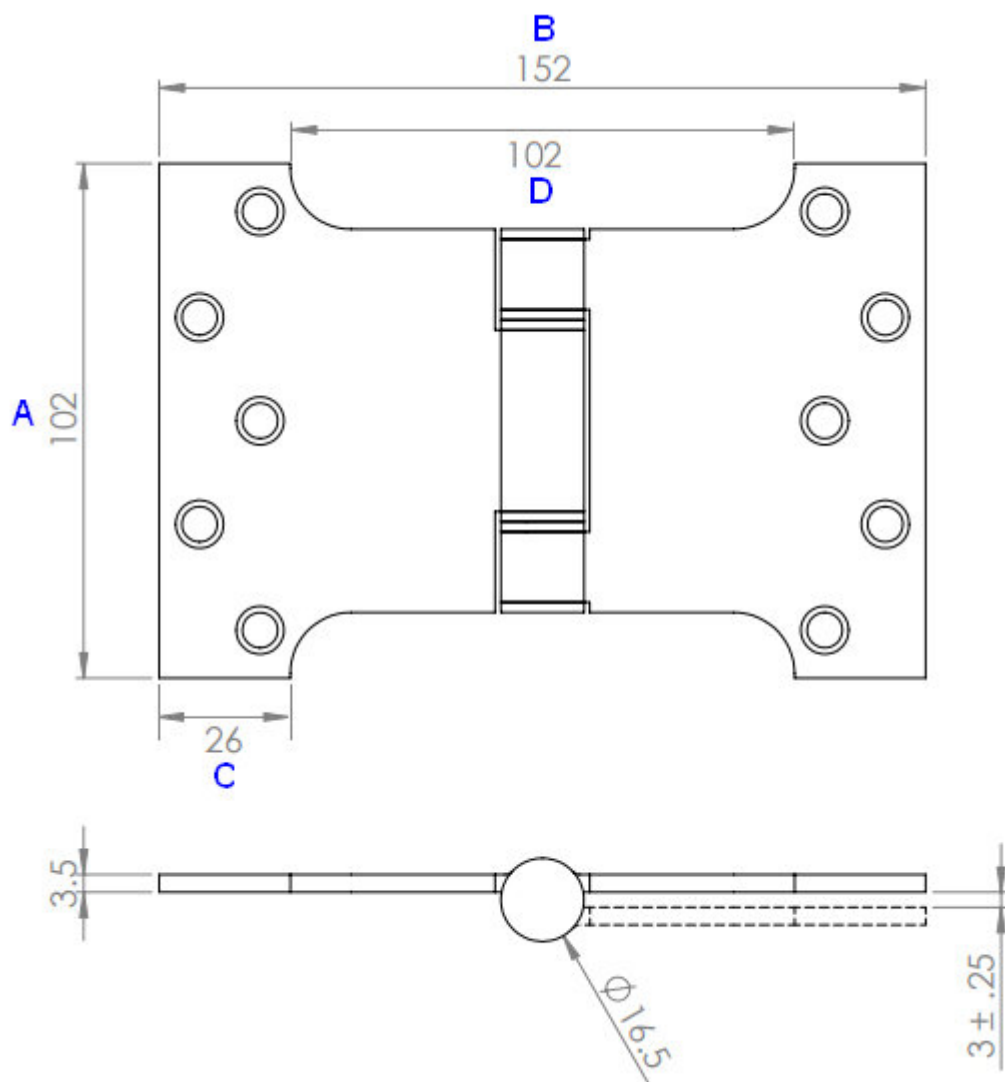

## Finish

- Matt Black
