Pocket Door Edge Pull - Spring Loaded - Satin Brass (Lacquered)

Product Images

Description

• Flush fitting rectangular shaped pull out edge pull for sliding pocket hideaway doors

- This pull out handle is designed to be morticed into the leading edge of a sliding door
- Pivoting arm design Pushing the top half of the item causes the arm to pivot and pop out from the backplate creating a little handle allowing you to pull open a door
- Suitable for use on full height sliding doors, wardrobe doors and cupboard doors
- Sleek minimal look thanks to discreet fixings. (This item is fixed via wood screws from inside the recess.

Base Material

• Made from solid brass

Finish

• Satin Brass
