
Straight Arm Locking Sliding Sash Window Fastener With Button Knob - Antique Brass (Gloss Lacquered)

Product Images

Description

- Sliding sash window fastener
- Straight arm pattern
- When the fastener is in the closed position (when the arm is engaged in the receiver plate) the sliding sash window can not be opened

Finish

- Light Antique Brass

Dimensions

- 69mm x 20mm

Important Info Before You Buy

- Suitable for wooden sliding sash windows
- This style of fastener is suitable for sash windows with flush fitting meeting rails (Where the two sashes meet in the middle they must be level or very close)
- For double glazed sliding sash windows with a narrow meeting rail a narrow pattern straight arm fasten is available
- Comes supplied with fixing screws
- Sold individually
