

Back To Back Fixing Kit For Tubular Shape Pull Handles - Polished Stainless Steel

Product Images

Description

- Polished stainless steel back to back fixing kit for tubular design pull handles.
- Allows 2x bolt through fixing pull handles to be fitted to either side of a door as a back to back pair.
- Suitable for wooden, metal or glass doors.
- Suits door thicknesses between 12mm - 55mm
- Polished Stainless Steel
- Available in five diameters* 19mm, 22mm, 25mm or 30mm diameter.
- ***Back to back kit must match the diameter of the pull handle or the "post" diameter if you're ordering a T-Bar style guardsman pull handle.**
- Please see the downloads tab for installation instructions.
- Supplied as a pair (to connect 2 x pull handles together).
