

## Face Fix Rose Kit For 19mm - 32mm Diameter Pull Handles - Satin Stainless Steel

### Product Images

### Description

- Satin stainless steel rose fixing pack for pull handles.
- Converts a bolt through fixing pull handle into a surface mounted pull handle.
- The fixing roses attach to the pull handle using the supplied M8 fixing bolt. The handle can then be surface mounted to the door or wall by screwing through the roses,
- Screw on rose conceals the fixing screws.
- 52mm x 8mm
- Satin stainless steel

- Suits pull handles measuring 19mm - 32mm in diameter.
- Supplied as a pair (to suit 1 x pull handle).
