Bathroom Turn & Release Set With Knurled Knob - Polished Brass (Lacquered)

Product Images

Description

- Bathroom snib turn and coin emergency release set
- Modern style knurled knob
- A turn and release consists of two parts
 - 1 a snib turn which is fitted on the inside of the bathroom and is used to lock the bathroom or toilet by twisting the snib a quarter turn to the left or right
 - 2 a release which is fitted on the outside of the bathroom. If some gets locked in the bathroom or toilet the snib can be released in an

emergency by twisting a coin or screwdriver in the slotted part of the rose a quarter turn

- This turn and release set uses a 5mm x 5mm spindle (the metal shaft that goes through the door) this suits standard UK bath locks
- A turn and release is only the cosmetic part that you see on the outside of the door and requires a mechanism to work in conjunction with it, such as a bathroom lock or deadbolt

Finish

• Satin Brass

Dimensions

- Rose Diameter 53mm
- Rose Depth 10mm

Important Info Before You Buy

- Can also be used as a privacy lock for bedrooms
