
**Architectural Quality Tubular Mortise Deadbolt With 5mm Follower - CE / UKCA Marked - Fire Rated
- Certifire Approved - Matt White**

Product Images

Description

- Matt white finish tubular style mortice deadbolt.
- Supplied with a matt white finish forend and frame mounted receiver plate including black plastic back box.
- 5mm follower designed for used with UK style bathroom turn & release sets.
- Twisting the follower a quarter is enough to throw and withdraw the deadbolt.
- 38mm bolt through holes allows turn and release sets to be bolted together for extra strength when fitted to the door.
- Architectural quality.
- Designed for use on bathroom doors, WC's and toilet doors
- Can also be used as a heavy duty security bolt for front and back doors when used in conjunction with the SDB5010SC key and escutcheon pack.
- Special order - lead time 4-6 weeks.

Operation

- Deadbolt is locked and un-locked by using a bathroom thumbturn and emergency release set.

Features

- Solid brass deadbolt with anti-saw rollers.
- Bolt through facility for bolt together fixing furniture with 38mm fixing centres.
- 5mm x 5mm spindle follower (to suit standard UK size turn & release spindles).

Security Level

- Medium security architectural range.
- Suitable for use on internal doors in residential, commercial or public buildings.

Finish

- Matt white
