## Heavy Architectural Quality - Spoon End Design Window Stay - Polished Brass (Lacquered)

### Product Images

---

### Description

---

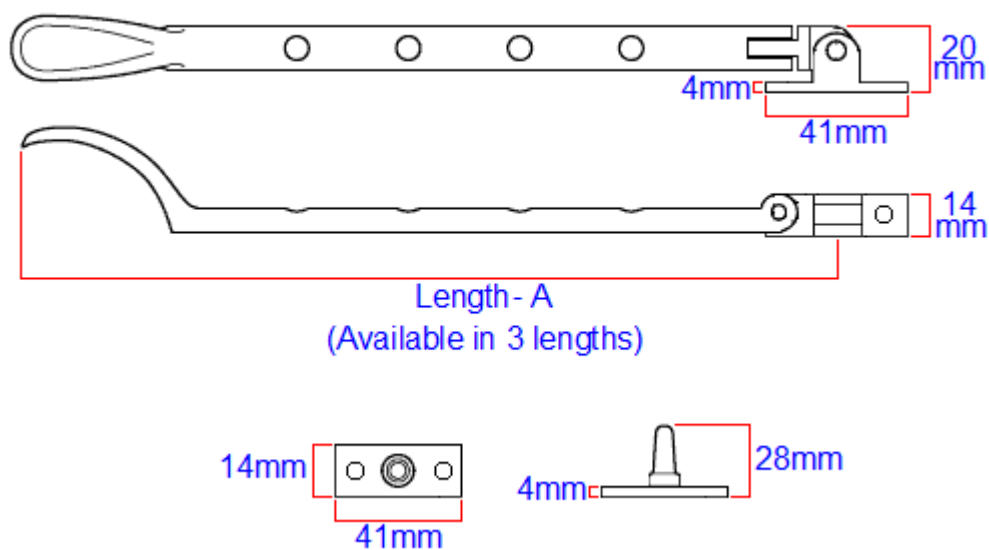

- Polished brass casement window stays.
- Heavy weight pattern - architectural range.
- Spoon end design handle.
- Traditional pattern casement window handle.
- A casement stay is the handle or "arm" that fixes to the bottom of the window to help push the window open and pull the window closed.

- The casement arm sits on pins this makes the window “stay” in position when in the open or closed position.

#### Finish

- Polished brass - (shiny finish).

#### Dimensions

Available in three lengths - (Size **A** On The Above Diagram).

- 202mm - (8 inches) - 15323.2
