

## Multipoint Door Lock Set For External Timber / Wooden Double Doors 44mm To 57mm Thick - Lift Handle To Lock Operation

### Product Images

## Description

---

- Multipoint door lock set for external double timber / wooden doors.
- 7 point locking - 2 x hooks, 1 x dead bolt, 4 x shoot bolts and 1 x latch,
- "Lift handle to lock" operation on both master and slave doors.
- Sold as a set which includes: main lock, slave lock, top & bottom bolts (x4), dead lock keeps (x4) and door latch strike plate.
- Must be used in conjunction with 2 x pairs of multi-point door handles and 2 x Euro profile cylinders - **SOLD SEPARATELY**.
- Options available to suit 44mm and 54mm thick doors.
- As standard these locks are suitable for doors up to 2115mm in height but can be extended to suit doors up to 2600mm in height by purchasing the extension rod **43964.1**

## Operation

- The slave door is locked via top and bottom shoot bolts which are activated and withdrawn via the use of multi-point door handles from either side of the door (**handles sold separately**). A Euro profile cylinder is then used to lock the shoot bolts in place (**Euro cylinder sold separately**).
- The master lock securely engages into slave mechanism.
- The hook bolts on the master lock are engaged and withdrawn via multipoint lever handles from either side of the door (**handles sold separately**).
- The deadbolt on the master lock is locked and un-locked via a Euro profile cylinder (**sold separately**).

## Features

- No need for false (dummy) mullion.
- Suitable for use on left or right handed doors.
- Suitable for inward or outward opening doors.
- Medium weight springing, designed for use with spring assisted (sprung) door handles.
- Bolt through facility for standard multipoint door handles.
- 8mm x 8mm spindle follower (to suit standard UK size spindles).
- Latch can be reversed on site without taking the lock case apart.

# Security Level

- Medium security architectural range.
- Suitable for use on external doors in residential properties

# Finish

- Stainless steel forend.
