

Euro Profile Bathroom Cylinder - Turn / Coin Release - 70mm - Polished Chrome

Product Images

Description

- Polished chrome Euro profile cylinder with internal thumb turn and external coin release.
- Ideal for use in bathrooms and WC's
- Designed to be used in conjunction with a Euro profile sash lock or dead lock.

Operation

- The door can be locked and un-locked by turning the thumb turn from either side of the door (using a coin or flat head screw driver from the outside).

- Must be used in conjunction with some form of Euro profile mortice lock (sold separately).

Finish

- Polished Chrome

Alternative Finishes Available

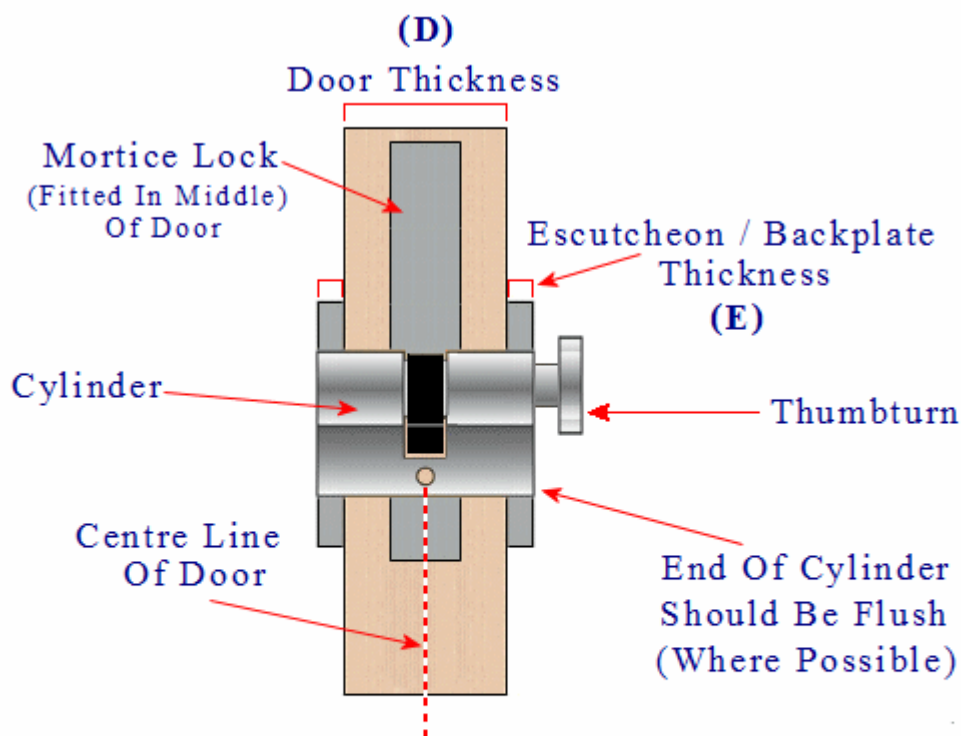

- Polished brass
- Satin chrome

Dimensions

Item Code	Overall Length (A)	External Side (B)	Internal Side (C)
44106.1	70mm	35mm	35mm

Fitting Information

$$\text{Overall Cylinder Length} = D + (E \times 2)$$

(Ex 2 as usually this is one escutcheon on each side of the door)

Always check the mortice lock is fitted in the middle of the door
if not an offset cylinder is required
