

19mm Sash Stops - Sliding Sash Windows Locks - Pack Of 4 - Dark Bronze (Lacquered)

Product Images

Description

- Sliding sash window stop locks with a dark bronze finish.
- Pack of four stops supplied with four inserts.
- Ideal for meeting insurance requirements for locking sliding sash windows.
- Four inserts provided per stop allows the sash window to be locked in the closed or in the open position.
- The threaded stops are screwed into inserts located in the top sash by use of key, this prevents ("stops") the sashes passing each other, hence the window is locked and can not be opened.
- The sash stops can only be locked and unlocked via the use key supplied in the pack of four.
