

Espagnolette Multipoint Window Gear Box Mechanism - With Centre Claw Locks - 25mm Backset

Product Images

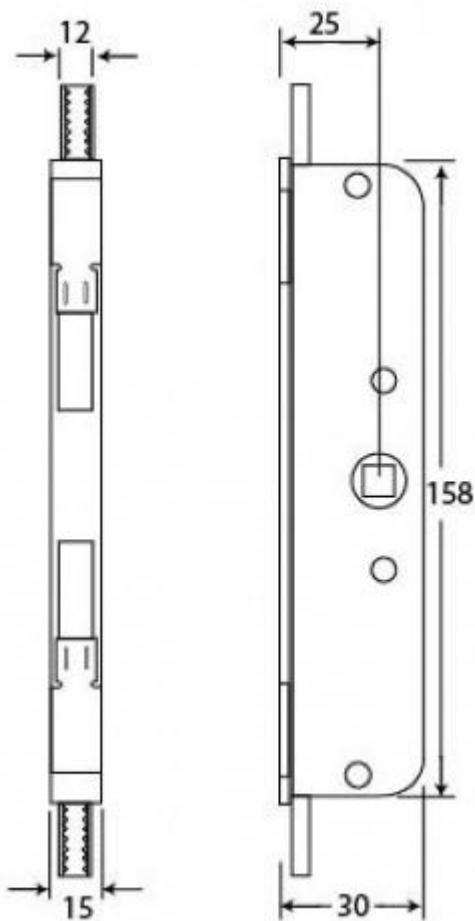

Description

- Espagnolette multi-point window gear box mechanism with centre claw locks.
- 30mm case depth - 25mm Backset.
- For use with our range espagnolette / multi-point locking window handles.
- 3 point locking via centre claws with top & bottom shoot bolts.
- Maximum window height of 2000mm when used with 2 x **44492.6** shoot bolts and 2 x **44494.1** extension rods.
- Centre claws lock securely into a very substantial centre keep (**sold separately**). Whilst two steel shootbolts (**sold separately**) lock into the corners of the window for incredible resistance against attack.

- Salt spray corrosion resistance in excess of 500 hours.
- Tested to BS7950, Secured By Design and BBA approved.
- **Please see the list of additional items required at the bottom of the page (sold separately).**
