

Brompton Knurled Pattern Window Stay - Available In Three Sizes - Aged Brass Unlacquered

Product Images

Description

- The Brompton suite is a contemporary design, and features a textured knurled pattern
- The industrial styling of the diamond effect creates a modern range of products that can be used throughout your property
- Heavy weight pattern
- Knurled end design handle
- A casement stay is the handle or "arm" that fixes to the bottom of the window to help push the window open and pull the window closed
- The casement arm sits on pins this makes the window "stay" in position when in the open or closed position

Finish

- Aged Brass Unlacquered
