

Newbury Hammered Pattern Window Stay - Available In Three Sizes - Polished Nickel

Product Images

Description

- The Newbury hammered range of products are meticulously hand-hammered by skilled craftsmen
- The textured surface this creates is well suited to a wide variety of settings
- Heavy weight pattern
- Hand-hammered end design handle
- A casement stay is the handle or "arm" that fixes to the bottom of the window to help push the window open and pull the window closed
- The casement arm sits on pins this makes the window "stay" in position when in the open or closed position

Finish

- Polished Nickel
