

Key Flush Sash Stops - 28mm - Sliding Sash Windows Locks - Aged Brass Unlacquered

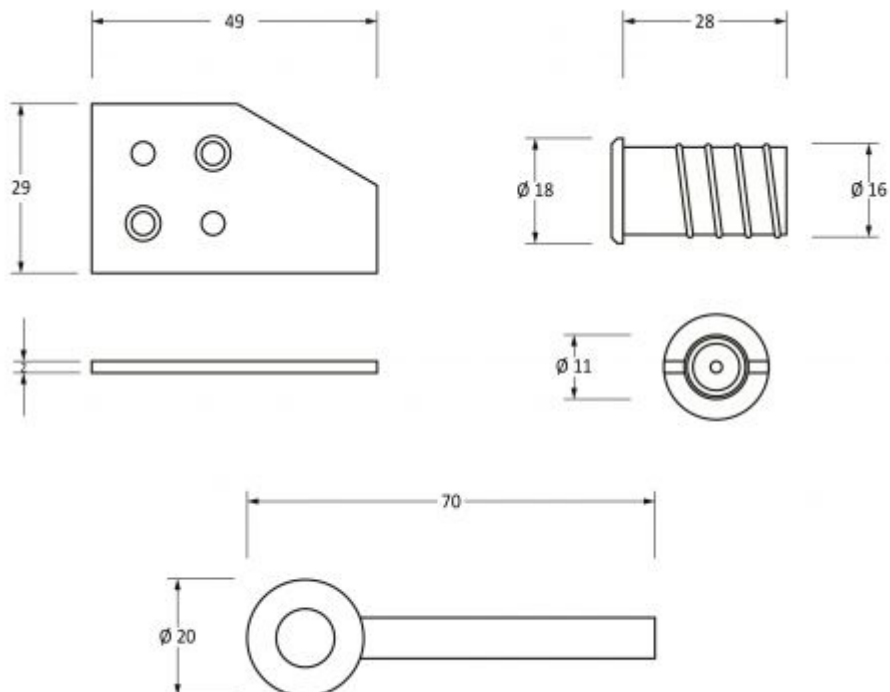

Product Images

Description

- Key flush sliding sash window stop lock
 - Ideal for meeting insurance requirements for locking sliding sash windows
 - Fitted to the sash to restrict the opening for safety reasons and to allow the sash to be opened for ventilation without compromising on security
 - Strike plates are fitted to the top of the bottom sash to prevent damage

Size Details

Base Material

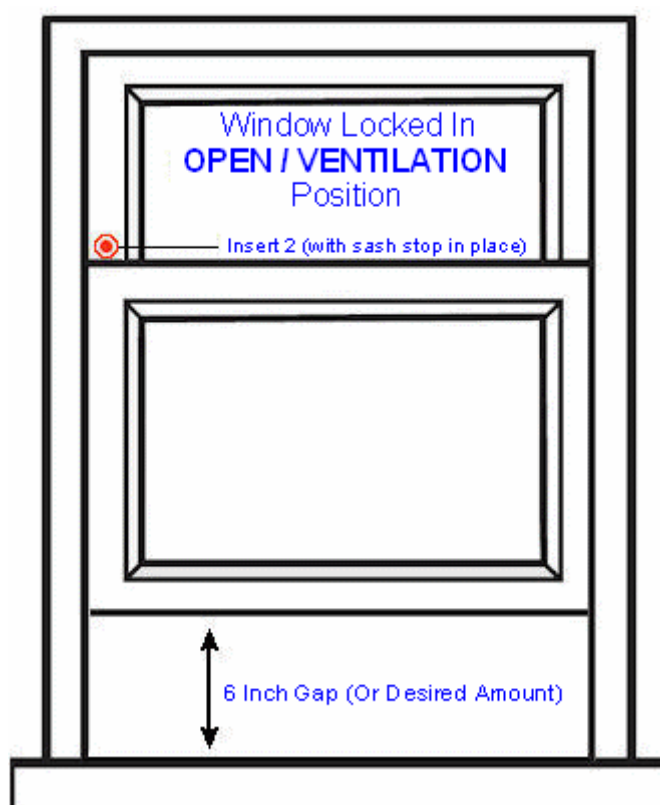

- Made from solid brass

Finish Details

- Aged Brass Unlacquered

Fixings

- Each stop comes supplied with a strike plate that is fitted to the top of the bottom sash to prevent damage
- The sliding sash window can be locked in the open position for ventilation, by screwing the sash stop with the key

Usage

- Suitable for use with wooden sliding sash windows
- Stop can be retracted into the barrel to allow the window to be fully opened

Unit Of Sale

- Sold in singles
- Supplied with matching wood screws and 1 x key
