Economy Range - Tubular Mortice Latch - Antique Brass (Lacquered)

Product Images

Description

- Antique finish tubular mortice latches.

- Architectural finish - supplied with Florentine bronze finished forend and strike plates ideal for use with antique brass, bronze and BMA finish door handles.

- Basic latch ideal for use with door handles fitted in residential properties.

- Available in 64mm or 76mm lengths.

Operation

- Latch is withdrawn via a door handle from either side of the door (handles sold separately).
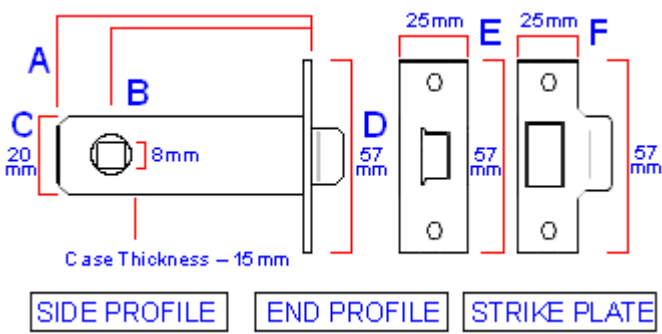

Features

- Medium weight springing makes this tubular latch ideal for use with sprung door handles.
- Solid brass guided latch.
- 8mm x 8mm spindle follower (to suit standard UK size spindles).
- Latch can be reversed on site by turning the latch upside down.
- Reversible frame mounted strike plate.
- Suitable for use on internal doors in residential buildings.

Finish

- Florentine bronze - (antique finish).

Dimensions

Available in two overall lengths (case depths).
