

Pocket Door Edge Pull - Counterbalanced - 130mm x 26mm - Antique Brass (Lacquered)

Product Images

Description

- Flush fitting rectangular pull out edge pull for sliding pocket hideaway doors.
- This pull out handle is designed to be morticed into the leading edge of a sliding door.
- Pivoting arm design - Pushing the top half of the item causes the arm to rotate and pop out from the backplate creating a little handle allowing you to pull open a door.
- Counterbalance so the handle always rotates back into the backplate
- Suitable for use on full height sliding doors, wardrobe doors and cupboard doors.
- Face Fixed

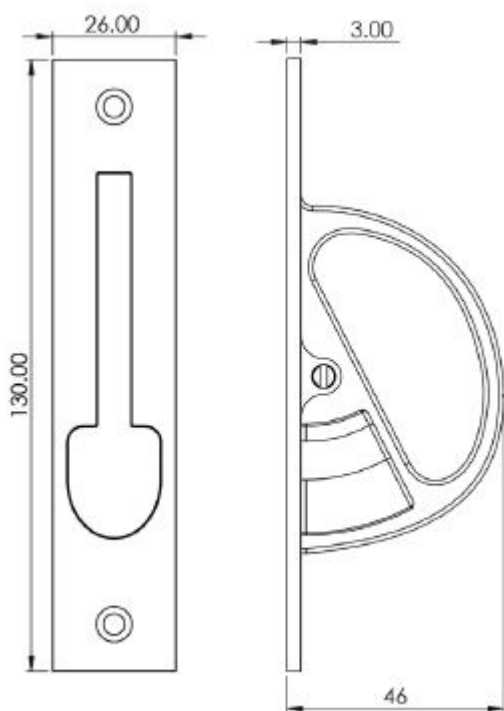

Base Material

- Made from solid brass.

Finish

- Antique Brass

Dimensions

- Plate Size: 130mm x 26mm
