
Plain Front Door Letter Plate - 282mm x 80mm - PVD Non Tarnish Brass

Product Images

Description

- 282mm x 80mm plain style letter plate for wooden front doors.
- This letter plate has a PVD Brass finish which comes with a 25 year non tarnish guarantee making it ideal for outside external use.
- PVD is a process where a metal item is placed inside a vacuum chamber and coated in a thin layer of molecules of hard-wearing metals such as

Zirconium. This layer of hard-wearing molecules is so strong it stops the brass from tarnishing. (Turning brown.)

Finish Details

- PVD - Non tarnish brass
- 25 year guarantee that the brass will not tarnish (turn brown.)
- PVD brass is a gold colour with a high mirror like shine. PVD Brass is very similar to polished brass but the PVD is slightly richer in colour. - for more information and how to care for this finish please see our [guide to product Finish](#).
- The PVD finish is ideal for external use and exposed locations such as coastal areas where the salty sea air would cause regular polished brass items to tarnish very quickly.
