
Radius Corner Finger Plate - Two Sizes Available - Matt White

Product Images

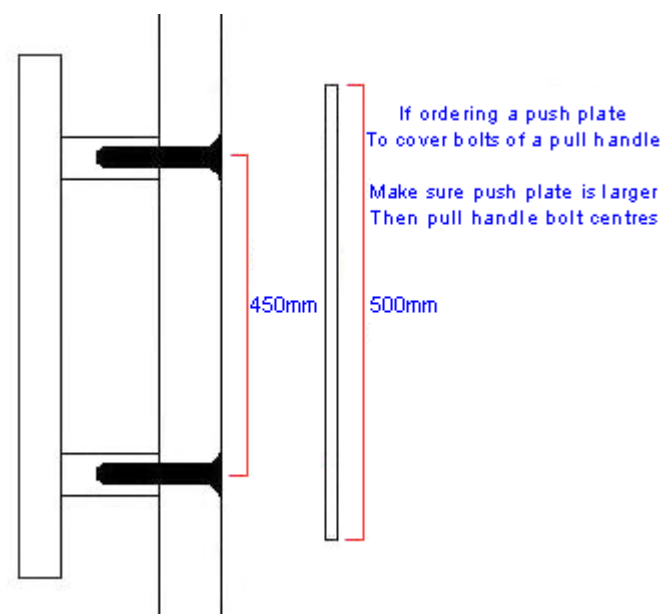

Description

- High architectural quality finger push plate.
- Radius rounded corners
- 1.2mm thick
- Suitable for use on half hour FD30 and one hour FD60 fire doors tested and passed to BS EN 1634-1 2000
- Screw fix with 4 stainless steel screws

If ordering a push plate to cover bolts of a pull handle

- Make sure push plate is larger then the pull handle bolt centers
- For example if your pull handle has bolt centers of 450mm a 500mm high push plate will be required
- See below diagram

Finish

- Matt White
