Product Images

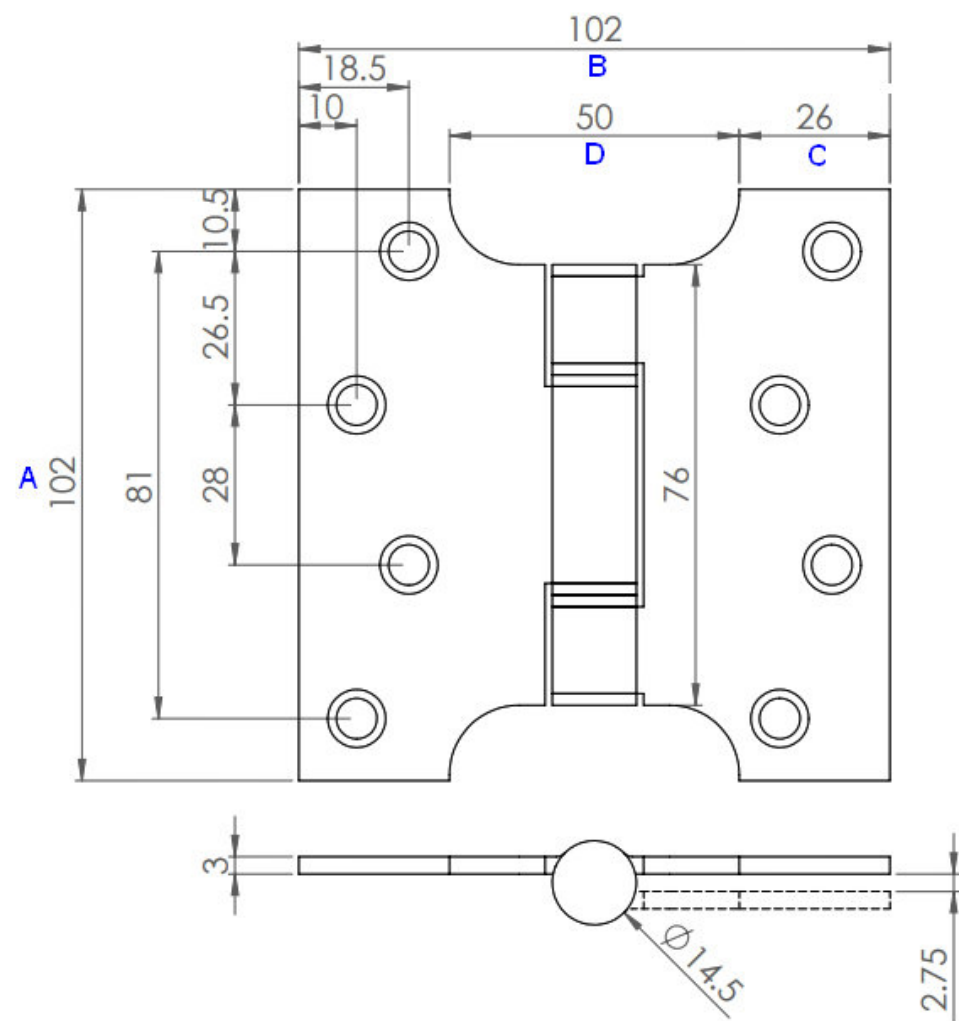

Description

- Thrust bearing arliament projection hinges for double, patio and French doors
- Projects doors clear of architraves, window boards or down pipes
- Hinges allow doors to fold back 180 degrees
- Suitable for doors up to 120kg (weight limit based on 3 x hinges)
- Heavy duty - for high use fire doors
- For exterior / interior use
- BS EN grade 13 - CE Marked / UKCA Marked
- Suitable for 60 minute fire doors, **when used in conjunction with intumescent hinge pad liners,**
- Measurements are leaf height x inside clearance x fully open width
- Inside clearance measurement is between the wings of the hinge and is the maximum projection you can achieve on lightweight doors
- For glazed or solid doors, inset the hinge leaf an additional 15% each side, for example 30% less projection
- 25 year guarantee

Finish

- Dark Bronze (Lacquered)
