
Pole Hook For Fanlight Window Catches - Antique Brass (Gloss Lacquered)

Product Images

Description

- Pole hook for fanlight window catches
- Designed to fit on top of a pole as a way to release a fanlight catch that is out of arms reach for example in a high or awkward position
- The hook is used to pull the ring down on the fanlight catch, this releases the latch and allows the window to open

Finish

- Antique Brass (Gloss Lacquered)

Dimensions

- Overall Height - 103mm
- Hole Diameter - 30mm

Important Info Before You Buy

- Grub screw fitting helps secure the pole to the hook
- Pole sold separately
