
Cranked Casement Stay Pin - Antique Brass (Gloss Lacquered)

Product Images

Description

- Cranked pin for flush fitting windows.
- Used when the window and frame sit flush when in the closed position.
- Cranked pins are designed to replace the standard pins provided with a window stay
- This pin screws to the side of the window frame. The stay will then lay on top of the pins rather than resting on a window frame.

Finish

- Antique Brass (Gloss Lacquered)

Dimensions

- 40mm x 15mm

Important Info Before You Buy

- Suitable for wooden windows
- Sold individually - please note two pins are normally required per stay
