
Internal Letter Plate Flap - Letter Tidy - Matt Black

Product Images

Description

- Internal flap for the inside of a front door
- This plate is designed to cover the hole made by fitting a letter box into a front door
- Known as a letter plate tidy as it tidies up the appearance of the inside of the door
- Helps to cut down on draught coming through the letter plate and helps to stop people looking through hole

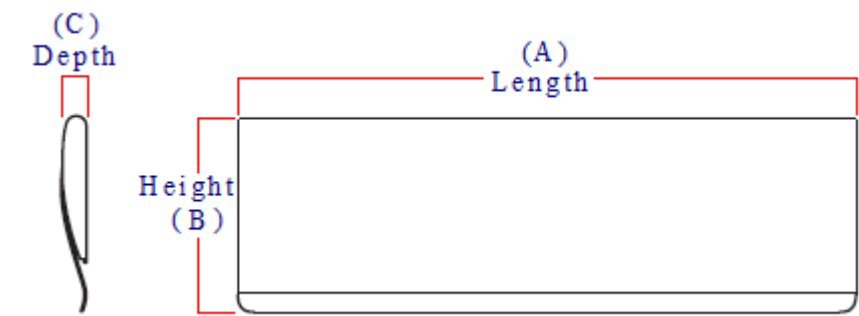

Finish

- Matt Black

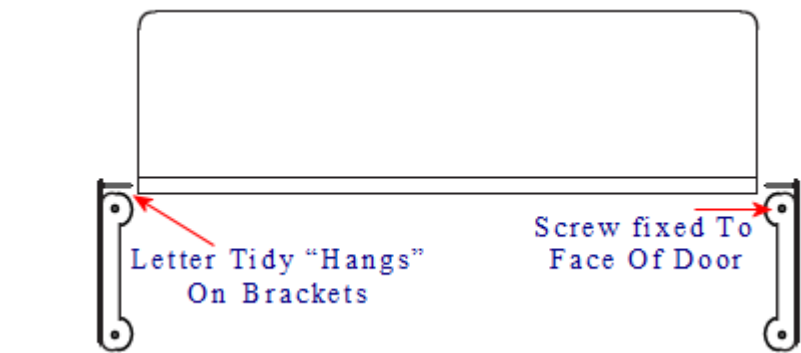

Dimensions

Item Code Length (A) Height (B) Depth (C)

50854.1	280mm	83mm	12mm
50854.2	299mm	83mm	12mm

- Designed to cover the hole on the inside of the front door where the letter plate has been cut out for
- Letter tidy plates have a curved shape which allows them to sit on top of the fixing bolts and domed nuts used to secure a letter plate in place
- Screw fixes to the back of the front independently of the letter plate

- Comes supplied with fixing screws and two brackets hanging brackets
- For the right size letter tidy - Make a note of the distance between the bolt centers of your letter plate and the height of the aperture. Choose a letter tidy that is slightly longer and higher to make sure you cover the hole and bolts in the door
