# Front Door Guard (Hotel Room Guard) - Dark Bronze (Lacquered)

## **Product Images**

## Description

- Front door guard
- Stronger alternative to standard security door chain
- Commonly seen and used on hotel rooms
- When the door is in the closed position, The female section folds over the male. When the door is opened, the male slides to the end of the female part restricting the door to opening approximately 3" allowing you to see who's at the door without having to compromise security by opening it fully

#### Finish

• Dark Bronze (Lacquered)

#### Dimensions

- Fixing Back plate Height 104mm
- Fixing Back plate Width 58.2mm
- Depth 19mm

## Important Info Before You Buy

- The female part of this item is fixed to the door frame, The male part fixes to the door
- The female part of this item folds through 180 degrees so can fold flat back against the wall when not in use
