

## Modern Style Front Door Knob - Polished Brass (Lacquered)

### Product Images

## Description

---

- Modern style centre front door knob
- Easy fit option - can be face fixed (screw fixed from front) or bolted through like traditional centre door knobs

### Finish

- Polished brass

### Dimensions

- Backplate Diameter - 55mm
- Knob Diameter - 70mm

### Important Info Before You Buy

- This centre door has two options for fitting

1 - Bolt through fixing from the inside of the door where the knob is secured from the inside by a domed nut  
2 - Face fixed on to the front of the door. This is done via mounting a fixing plate to the door then attaching the knob to fixing plate via a grub screw

- Comes supplied with both bolt (to be cut to length), domed nut and face fix mounting plated
- TIP - remember when cutting length on bolt, to leave room for the nut to be screwed on the end
