
Heavy Architectural Quality - Spoon End Design Window Stay - Satin Chrome

Product Images

Description

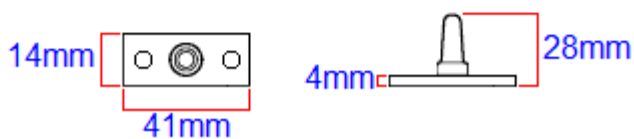

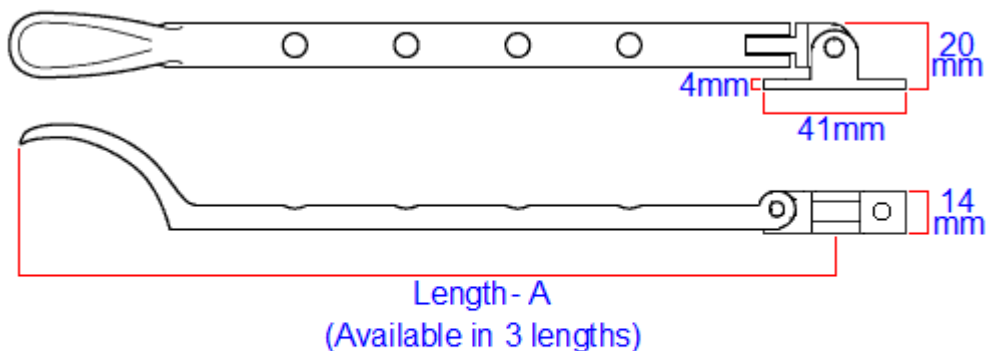

- Brushed satin finish casement window stays.
- Heavy weight pattern - architectural range.
- Spoon end design handle.
- Traditional pattern casement window handle.
- A casement stay is the handle or "arm" that fixes to the bottom of the window to help push the window open and pull the window closed.

- The casement arm sits on pins this makes the window “stay” in position when in the open or closed position.

Finish

- Satin chrome - (brushed finish).
