

Casement Window Lock - White

Product Images

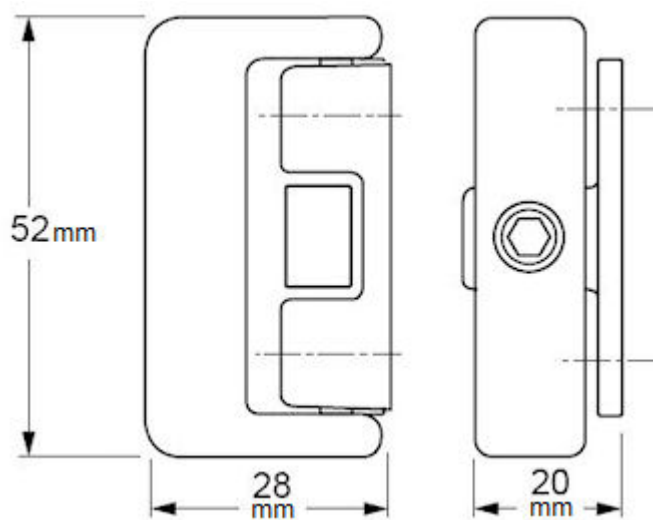

Description

- Flip over windows lock for hinged casement windows.
- Popular style of window lock, simple to fit, surface mounted.
- Quick simple action, flick over and twist grub screw with key to lock.
- Ideal for use on windows with narrow frames where there isn't room to fit other security products.
- This style lock is surface fixed on to the window section and is locked around the frame fixed staple by use of key.
- A clenching action helps to pull the window to the frame.
- **Keys sold separately**

Finish

- White

Dimensions

- Height - 52mm
- Width When Open / Unlocked - 28mm
- Width When Closed / Locked - 20mm

Important Info Before You Buy
