Product Images

Description

- This split finish lever suite is a contemporary design door handle with a 49mm wide backplate, ideal for those looking to cover old marks left by existing door handles.
- This handle has a tubular shape lever fitted to a wide rounded design backplate.
- Satin nickel backplate with gold plated edges.
- Available in various plate designs including latch set for non locking doors, lock set for key locking doors and a bathroom set that locks via a thumbturn and can be released in an emergency via a coin release on the outside handle.

Base Material

- Made from solid brass.

Finish Details

- Dual finish satin nickel backplate with gold plated edges.
- Satin nickel is a warm grey colour with a very slight golden tint and visible brush marks in the surface of the item. The gold plated finish is very similar to polished brass but slightly richer in colour.

Operation

- Both levers are sprung to ensure the lever always returns to its starting position
