
Modern Basta Style Casement Window Fastener - Wedge Pattern - Polished Brass Plated

Product Images

Description

- 301654 - modern style casement window fastener.
- Wedge pattern - when in the closed position the window handle sits over a "wedge plate" mounted to the window frame, this pulls the window in with a nice tight seal and keeps it held closed.
- Night vent option - a second hole located in the fastener allows the window to be fastened with a small gap, to allow airflow into the room.
- This fastener is reversible and can be used on windows hung on the left or right.

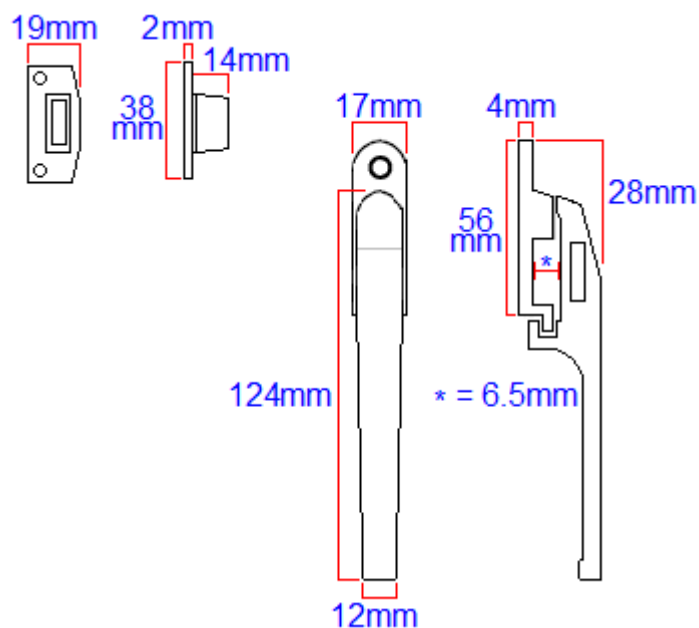

Base Material

- Zinc alloy.

Finish

- Brass plated - (shiny finish).

Dimensions

- Handle length - 124mm
- Backplate width - 17mm

Important Info Before You Buy

- Suitable for use on timber windows.
- Suits standard outward opening casement windows.
- Comes supplied with fixing screws and wedge plate.
- Matching key window stay also available - 30646.1.
