## Spoon-end Casement Stay - available in 3 sizes - Satin Nickel

### Product Images

---

## Description

---

- Polished brass casement window stays.
- Heavy weight pattern - architectural range.
- Spoon end design handle.
- Traditional pattern casement window handle.
- A casement stay is the handle or “arm” that fixes to the bottom of the window to help push the window open and pull the window closed.
- The casement arm sits on pins this makes the window “stay” in position when in the open or closed position.

### Finish

- Satin nickel
