
Premium Sliding Door Gear System For Cupboard Doors - Doors Up To 70kg In Weight

Product Images

Description

- This premium quality twin track sliding door system for use with two or three doors and is ideal for sliding wardrobe doors.
- It can be used for two or three wardrobe doors and not only includes high quality door running gear, but also includes track with an integrated masking plate plus a full set of decorative silver aluminium door edging profiles for the perfect finish.
- Anodised aluminium track with integrated masking plate for a durable, highly decorative finish.
- Top and bottom mounted rollers on ball bearings, fitted to sprung chassis for extra smooth and quiet running.
- The sprung chassis makes fitting extremely easy and allows doors to be quickly removed and refitted.
- Designed for use with 18mm MDF doors and will suit up to 70kg in weight.
- Tested to over 100,000 cycles - to BS EN152.
