

Top Jamb / Frame Mounted Door Stop & Restrictor - Satin Stainless Steel

Product Images

Description

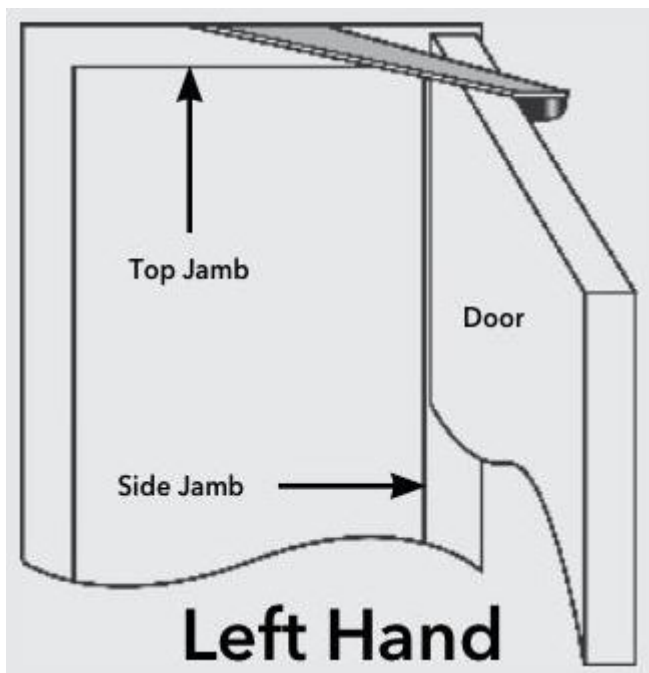

- Top jamb / frame mounted door stop and restrictor.
- Mounting position determines limit of door opening angle.
- Ideal for use in situations where a mounting a traditional door stop on the floor or wall is not possible

Finish Details

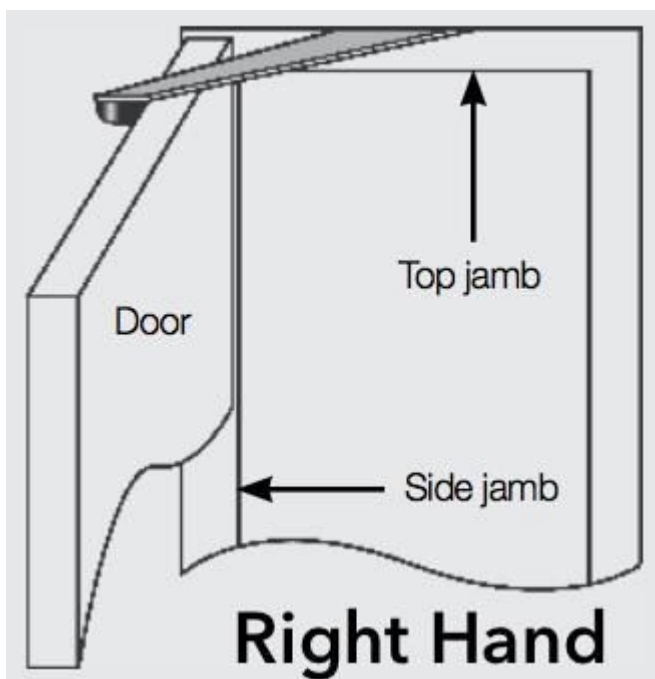

- Satin Stainless Steel.

Handing

- Handed left or right.
- To determine handing - stand facing the door so that the door opens **away from you**.
- If the door opens to the left you require the 31523.1 (left hand).

- If the door opens to the right you require the 31523.2 (right hand).

Usage

- Suitable for residential use
- Suitable for internal use

Unit Of Sale

- Sold individually (each)
