Draught Seal - Internal Letter Plate Brush Seal - 342mm x 80mm - White Frame With Black Brush

Product Images

Description

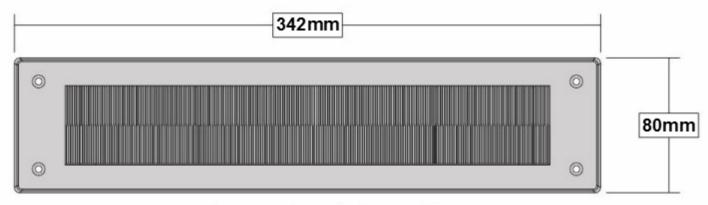

- Internal letter box brush seal.
- Ideal for use on front doors, helps stop draught, dust, rain and people looking through the letter plate from the outside.
- Simple, effective draught excluder, simply screws to the back of a front door to seal the hole made by the letter plate.

Finish

• White PVC frame with black nylon brushes.
