
Wall Mounting Brackets For Sliding Door Gear Track - Set Of 5

Product Images

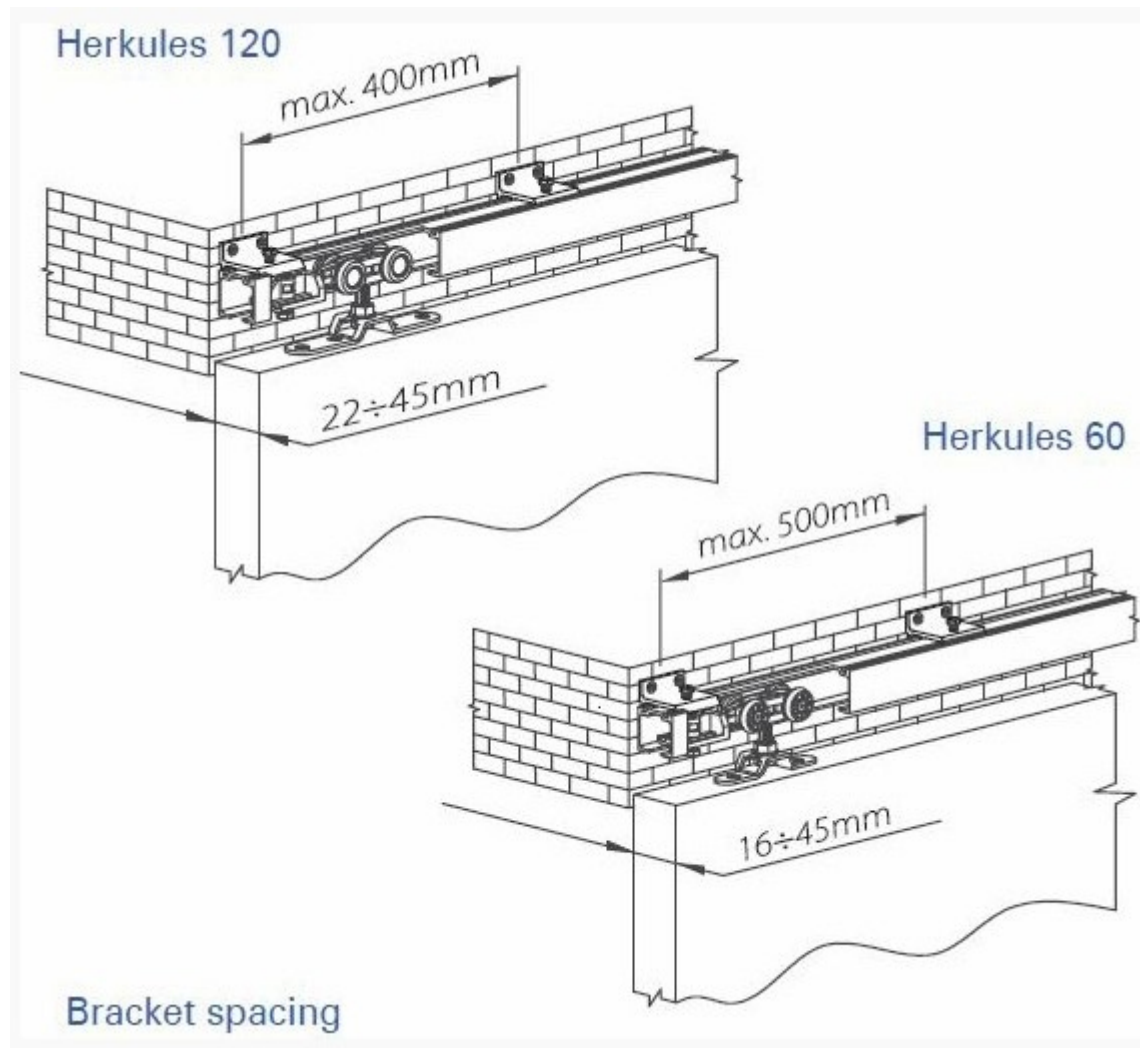

Description

- Pack of 5 wall brackets for wall mounting 60kg or 120kg sliding door systems.
- Suitable for use with doors up to 45mm thick.
- Easy to fit - brackets slide into grooves on top of track, and screw into the pre-drilled holes.
- **Suitable for use with '60kg - 31268' / '120kg - 31269' sliding door systems only.**

Spacings

- 60kg - 1 bracket every 500mm
- 120kg - 1 bracket every 400mm
