

Flat Bookcase Strip 1828mm Length

Product Images

Description

- Traditional bookcase strip design for flush fitting
- Fitting by inserting into pre-machined stepped groove
- Allows full width shelving
- Extra thickness for greater rigidity
- Router available for ease of installation, please see Fixing Materials

- 1829 mm length
- Steel or brass
- **Please note Brown finish strips are made of steel with brown powder coated finish - for commercial use only. Bronze shelf support studs will not match same finish**
