
29mm Sash Stops - Sliding Sash Windows Locks - Antique Brass - Pack Of 2

Product Images

Description

- Sliding sash window stop locks with a antique style Florentine bronze plated finish.
- Pack of two stops supplied with four inserts.
- Key sold separately - 40809
- Ideal for meeting insurance requirements for locking sliding sash windows.
- Two inserts provided per stop allows the sash window to be locked in the closed or in the open position.
- The threaded stops are screwed into inserts located in the top sash by use of key, this prevents ("stops") the sashes passing each other, hence the window is locked and can not be opened.
- The sash stops can only be locked and unlocked via the use of the 40809 - sold separately.
